## Investment Funds

**Gornitzky & Co.'s leading Private Funds' team offers a full basket of services to Private Funds and Investors.**

Together with our tax and capital markets specialists, we advise founders and sponsors on all aspects (including structural and regulatory) and stages of the fund formation and fund raising process in Israel and abroad.

Throughout the years, our team has also represented a wide range of international and local investors (including institutional investors and high net worth individuals) in their investments in local and international funds. We particularly provide a tailored made regulatory, structural, tax and commercial advice to each investor.

We also counsel other key players in the fund raising process such as placement agents, broker dealers and investment advisors.

Our experience in representing founders, investors and other key players in the field of private funds provides us with a broad and unique view of the standards in this market and the overall interests and considerations involved in the fund formation and fund raising processes.
