## Dayan Group ordered to pay court fees

### News

Gornitzky represented Dror Hotel Management Group, in an appeal filed to the District Court against Mr. Yitzchak Dayan and his companies. The appeals' purpose was to enforce the company's right to primarily refuse a purchase Dayan had offered, regarding two hotels under the company's management in Eilat. One aspect of the dispute was that Dayan Group demanded a ruling that will then order to evacuate our client from the hotel. The request was immediately rebuffed and furthermore, frowned upon by the court, and so Dayan Group was ordered to pay court fees of 150,000 NIS in total.

Dror Group was represented by partners Ofer Tzur and Yitzchak Lazar and associates Alex Feldsher and Shaked Shani Korenianski.
