Surgical Science Sweden buys Symbionix for \$305m

News

Our firm represented Symbionix, a medical simulation company owned by 3D Systems Inc., in the sale of Symbionix USA Corporation to Surgical Science Sweden AB for the purchase price of \$305 million.

Symbionix was represented by Partners Chaim Friedland and Yoni Raff together with associates Nir Knoll and Daniel Winer.

They were supported by Partner Dr. Assaf Prussak and associates Lilach Shamir (Tax) and Lee Alter Kizis (Labor).
