Our firm represented the Fintech company Rapyd in a deal to acquire Neat Corporation Limited.

News

Our firm represented the Fintech company **Rapyd** in a deal to acquire Neat Corporation Limited. Neat is a Hong Kong company offering an international trading platform for businesses, which will be integrated into the Rapyd Group for the purpose of making the group's services accessible to customers in Asian countries.

The company was represented by Partner **Shlomo Landress**, together with senior associate **Dan Fisher**, associate **Danya Sakols** and the intern **Shahar Aharoni**.
