## Privacy law compliance conference in collaboration with IAPP

### News

This week, we hosted a practical workshop in our office on compliance with the new privacy laws, during which Assaf Harel and Rebecca Genis Shepetovsky delivered a lecture on the provisions of Amendment 13 to the Privacy Protection Law and its practical implications. In the workshop's practical segment, we held discussion groups on various topics, led by Reut Regev, Yizhar Levy, Ronit Sela Steinman, and Hen Yakuel Gabay. Finally, a Q&A panel was held with Gilad Samama, Head of the Privacy Protection Authority, and Nir Garson, Deputy Legal Advisor.
