Our Firm Represented the Dan Transportation Group in the Acquisition of 100% of Tnufa Transportation Solutions

News

Our firm represented the **Dan Public Transportation Group** in a transaction to acquire 100% of the share capital of Tnufa Transportation Solutions, which operates public transportation lines in the Jerusalem metropolitan area, for approximately **NIS 150 million**. The acquisition of Tnufa's public transportation operations joins a series of additional transactions undertaken by the Dan Public Transportation Group, with our firm, to expand its activities in the fields of public transportation, infrastructure, and private shuttle services.
