Gornitzky represents Priority in its acquisition of Monitin Information Systems' ERP operations.

News

Gornitzky represented Priority Software in its acquisition of the entire ERP operations of Monitin Information Systems, a long-standing ERP developer and implementor for numerous Israeli corporations.

Priority is a portfolio company of Fortissimo Capital, a prominent Israeli private equity fund and this is its third acquisition in recent months represented by our firm.

We congratulate Priority on its continued expansion in Israel and abroad.

Priority was represented by Sagit Amit Evan (Senior Associate), Eitan Mor (Associate), Daniel Reshef (Associate) and Ori Sheinkman (Associate).
