Gornitzky represents Oxygen and Argon Works in a NIS 186 million investment transaction

News

Gornitzky represented Oxygen and Argon Works Ltd. ("OXAR"), one of Israel's largest manufacturers and suppliers of industrial gases, in the signing of a NIS 186 million investment transaction with FIMI Opportunity Funds, for which FIMI shall receive 51% of OXAR's share capital. The closing of the investment is subject to, inter alia, the approval of the Israel Antitrust Authority.

Oxygen and Argon Works provides industrial gases to over 500 institutions and factories in Israel, including leading companies in the metal, electronic, chemical, petrochemical, food, glass and recycling (environmental) industries, as well as research institutes, universities, medical institutions and the Israeli Ministry of Defense.

The representation of Oxygen and Argon Works Ltd. was led by Gur Y. Savir (Partner) and Uri Heller. The proceedings vis-à-vis the Israel Antitrust Authority are being led by Avner Finkelshtein (Partner) and Noa Schweitzer.
