Gornitzky represents Le Peigne in its investment in Moovit.

News

Gornitzky represented Le Peigne in its investment in Moovit, as part of a consortium of investors in Moovit's USD 50 million financing round. Le Peigne is controlled by the Arnault Group, which also controls Christian Dior and LVMH Moët-Hennessy—Louis Vitton.

Moovit is a mobile application that enables users to track information on public transport.

Le Peigne was represented by Chaim Friedland (Partner) and Yoav Meer.
