Gornitzky represents U. Dori in suit against EPC contractor of Dorad power station, Wood Group.

News

Gornitzky represented U. Dori in the company's NIS 50 million suit against the EPC contractor of the Dorad power station, Wood Group and its subsidiary. The Dorad power station is a combined cycle power station based on natural gas. It is the largest independent power station in the country and will generate up to a total of 840 megawatts of electricity, which will be sold to the IEC and to large industrial/institutional customers through the IEC's distribution grid.

U. Dori Engineering Works Corp. Ltd. was represented by Eli Cohen (Partner) and Or Lustgarten.
