March 4, 2013

Starhome BV purchase MACH divested Syniverse.

News

Gornitzky & Co. represented Starhome BV in their purchase of MACH's data clearing and NRTRDE business within the European Economic Area, under a corporate divestiture by Syniverse Technologies LLC, as mandated and instructed by the European Commission (antitrust). The acquisition is contingent upon approval of the transaction by the European Commission and other applicable jurisdictions.

Starhome is a leading global provider of international roaming solutions and their products are used by more than 200 mobile operators worldwide, including by 20 of the 30 largest operators in the world. MACH is a leading provider of cloud-based managed communication services worldwide.

Starhome BV was represented by Chaim Friedland (Partner, Corporate/M&A), Yoram Arad (Partner, Technology/Commercial), Yisrael Spero (Partner, Corporate/M&A/Regulatory), Yehonatan Raff, Avi Meer and Ariel Davis.
