

August 19, 2018

Gornitzky represented The Floor, in a USD 5 million financing round, led by Fosun.

News

The Floor is a global fintech platform working with six of the world's largest financial institutions including Deutsche Bank, HSBC, SMBC and more.

The company has been dedicated to leading several R&D initiatives capable of delivering new technologies to financial institutions, alongside plans for global business expansion, especially in China.

The Floor was represented by Oded Uni (Partner).
